

BACKDOOR
THEATRE

ON THE MAIN STAGE

A rock musical set in Hollywood in the 1980s, when it was all about big chords, big dreams and big hair! Rock of Ages explores the pursuit of dreams and tells its story through hits from iconic groups and rockers of the 1980s. Channeling every totally rad '80s cliché in the book, Rock of Ages is superfluous silliness at its best. A high-energy dive into a living, breathing music video, the show – which never takes itself seriously – races quickly along, riding high on nostalgia and hairspray. During the performance, the performers frequently break the "fourth wall", directly addressing the audience and seemingly forgetting that they are actors in a musical. Rock of Ages features songs from Journey, Bon Jovi, Pat Benatar, Twisted Sister, Steve Perry, and Poison among other well-known rock bands.
