FLOWER FARM WORKSHOP

2 HR. HAND-TIED EUROPEAN STYLE BOUQUET (25-35 STEMS)

The evening includes light refreshments, an instructional demonstration, and a tour of the farm. While on our tour, we'll cut a few flowers to use in addition to the bulk harvest that has been prepared. After the tour, we'll each DIY our own bouquet with hands-on help from Kristin,, the farmer florist.. Each bouquet will be professionally wrapped with Kraft paper and twine.
